The background of the slide is a solid teal color. Overlaid on this background is a faint, light-blue network diagram. This diagram consists of numerous small circular nodes connected by thin, straight lines, creating a complex web-like structure that spans the entire width and height of the slide. In the center of the slide, there is a horizontal rectangular box with a light yellow or cream-colored fill. Inside this box, the text "Thank you!" is written in a bold, black, sans-serif font.

Thank you!
